

Accessibility Statement

To provide a fully accessible and optimal user experience for our visitors, One South FCU has taken careful measures to ensure the best possible user experience regardless of the assistive technology being used to access this site or the specific abilities of those individuals seeking access to this site.

Guidelines set forth by the W3C (World Wide Web Consortium) for Levels A and AA in website development have been followed and are maintained by our webmaster. The web accessibility evaluation tool, WAVE, is used to verify that there are no errors, no alerts, and no contrast issues detected.

Some examples used to assist in following the above-mentioned guidelines are:

- o Add image ALT Tags to all images
- o Update page names to be understandable and relate to the content
- o Change or recreate navigation to be navigable by keyboard
- o Adjust contrast and colors
- o Create a site map

Should anyone find any functionality issues with accessing this site, please contact us at 601-442-4382 during regular business hours or by email at info@onesouthfcu.com. Please cite the specific page or issue being experiencing and we will make every reasonable effort to accommodate the problem.
